Donner Regatta Is Slated On July 12; Scores Of Events

Barbecue Saturday To Be Opening Attraction At Donner

The tenth annual Donner Lake Regatta, sponsored by the Donner Lake Volunteer Fire Department and Auxiliary, will be staged at the west end of the lake Sunday July 12.

The races are conducted by the Northern California Outboard Association and sanctioned by the American Power Boat Association. Presiding over the event this year will be Miss Donner Lake (Shirley Smith) and her two princesses, Nancy Williamson and Terry Ellis.

The affair starts off Saturday when the scores of racers will try out the course and prepare for the contests.

Saturday afternoon between 4 and 7 p.m. a barbecue will be held to which the public is invited and that evening the firemen's ball will be held at Donner Lake Lodge and no charge will be made for admission.

Following the races Sunday, trophies will be awarded the winners at the lodge at 5 p.m.

In charge of the regatta this year are Charles O'Bear and Tom Bonano, while Mrs. O'Bear is chairman of the barbecue committee.

The regatta programs are being prepared for distribution and all in all the event promises to exceed all previous regattas on the lake.

Yacht Club Plans For Busy Season

TAHOE CITY — New officers for the Tahoe Yacht Club, which has sponsared regattas on the lake since 1925 with the exception of the war years between 1942 and 1945, have been named with J. Allen Bray, of Ashland, as commodore, according to word from R. Randolph Walker, the club's secretary-treasurer.

The other officers are Stanley W. Good of Atherton, vice commodore; A. R. Westphal, Ross, rear commodore; F. Oliver Greenlee, Moraga, port captain; Randolph Walker, San Francisco, secretary-treasurer, and Mike Brown, Kings Beach and J. Phillip Murphy, Piedmont, directors at large.

The annual business meeting of the club will be held at Chambers Lodge Saturday July 4 at 10 a.m. when the regatta schedule will be adopted.

On July 25, the annual luncheon meeting and introduction of new members will be held at Chambers Lodge where Mrs. Bray will be chairman.

The annual regatta, with classes for all types of boats will be held at Chambers July 26 starting at 9:30 a.m. and Stanley Good the chairman.

The first annual junior outboard regatta is scheduled August 2, starting at 9:30 at the Tahoe Boat Company, Tahoe City, with Randolph Walker chairman and the second annual Junior Outboard regatta at Obexers with Walker in charge will be held August 16 at 9:30 a.m.

The seventh annual outboard regatta to be held at the Sierra Boat Company, with Walker in charge, is scheduled for August 30 at 9:30 a.m. and outboard trophies will be presented at this final event.

DAVE HALL RECOVERS AFTER HEART STOPS

KINGS BEACH — Dave Hall, who was in a serious condition at Washoe Medical Center, has returned home and is slowly recovering his health.

Admitted for an operation on his back, Hall was being taken to the operating room when his heart stopped for two minutes and an emergency was required to bring him back to life, his wife Mrs. Winona Hall reported. She also wanted to thank their friends for their sincere concern.

BIDS ARE ASKED FOR KINGVALE STATION

The state division of agriculture has called for bids for construction of the Kingvale maintenance station for the division of highway near Soda Springs.

The project will consist of site preparation and construction of an equipment building of about 28,500 square feet, as well as a smaller gasoline and oil storage house.

Bids will be opened in Sacramento July 21, with about $565,000 available.

Land For Airport Is Being Secured

Another step in the development of the Truckee North Tahoe airport was taken last week when the board of directors of the district took action to secure the required land from the U. S. Forest Service and Joe Joerger.

Zeph Rose, board chairman, said negotiations with Joerger are pending the drawing up of necessary papers by the latter's attorney and a final agreement on price.

Arrangements with the forest service, Roy Saarni, district ranger, have been completed with the signatures of the board chairman.

The board is hopeful that necessary arrangements can be completed soon so that work can be started on the port.

WOMEN'S GROUP TO MEET ON JULY 1ST

The regular meeting of the Woman's Society of Christian Service of the Church of the Mountains will meet at the home of Mrs. Robert Roth, Wednesday evening, July 1, at 8 o'clock.

This is the first meeting since the installation of new officers. Plans are to be made for a variety of activities and study groups for coming year. Mrs. Ivan Wilson and Mrs. Roy Slate will be in charge of the program, and Mrs. Muriel Frey will assist Mrs. Roth with refreshments.

All interested women of the community are cordially invited to attend. Anyone needing transportation may call LU 7-3709.

Second Fire Gives Rise To Belief Of Firebug In Region

Department Called Three Times In Week To Same Area

A second fire in an unoccupied house in the East River St. area, last night led officers to start a search for a fire-bug. Last night at 12:30 a. m. the department was called to the old Dan Sala place where fire in an upstairs room caused much damage before it was extinguished. Commissioner N. F. Dolley said he believed both fires were started by the same person.

The fire flared up again at 4:30 and again the volunteers were called.

The house is the one in which Joe Curti suffered fatal burns during a fire in the kitchen last year.

An unoccupied dwelling at the end of East River street was virtually destroyed shortly after noon Tuesday when fire, starting from undetermined cause, gutted the building.

The house was owned by Mr. and Mrs. Russell Davis of Bowman, former local residents. Recently it had been rented by the Rockholm family but had been vacant for several weeks. Recently it was renovated preparatory to renting.

While the cause of the fire could not be learned Deputy Sheriff Roy Waters, one of the first on the scene, said it appeared to have started outside.

The loss was not estimated but will run into several thousand dollars.

The Truckee Volunteer Fire Department responded and prevented a spread of the flames to nearby homes.

PERMIT FOR TRAILER COURT IS AWARDED DESPITE PROTESTS

A delegation of 20 residents and property owners of Donner Lake Monday night attended a meeting of the Nevada County Planning Commission to protest issuance of a permit to Ferrall M. Pierce for construction of a 10-unit trailer court on the Waltz tract.

Despite this show of protest, accompanied by a lengthy letter from the Truckee Donner Chamber of Commerce pointing out objections to the court, the commission allowed the permit on the basis of the fact there was no legal way to refuse it.

Leo Todd, attorney for the commission, advised against denying the permit and the attorney for the applicant challenged the protestants to show any legal means of preventing the construction of the facility.

Cecil Edmunds, chairman of the board, said there was no question of the sentiment of the commission but that there was nothing to be done. He stated that recent efforts to zone the area had failed and that until a zoning plan is perfected, it will be difficult to bar legitimate building of any kind.

Edmunds, whose year as chairman is expiring, is being replaced by W. W. Brunker as head of the commission.

HELICOPTER WRECKS AT SARDINE VALLEY

The two-man crew of Stead Air Force Base helicopter escaped injury last Wednesday when the craft crashed in Sardine Valley near the E. E. Payen ranch. Engine trouble was blamed for the mishap which occurred at 12:30 p.m.

The crash was witnessed by Shirley Smith forest service lookout, who reported the incident. Within a short time three other helicopters arrived on the scene as well as search and rescue vehicles from Stead.

The craft landed on its side and was badly damaged. Two guards were posted to prevent looting until it was removed to the base.

STEGALL ENTERS PLEA OF GUILT ON CHARGE

A plea of guilty was entered by Fred Stegall, 44, of Grover City on a petty theft charge in the Truckee Judical Court. Judge Fosten W. Wilson sentenced Stegall to 90 days in the county jail and told him he must pay back to Kenny Garrison $100 within 60 days after his release.

SUNBEAMS

By WALTER M. BARRETT

Probably not everyone in Truckee is in favor of the proposed new golf course and recreational area now being developed, but we believe it an important addition to the region. This area is noted for its recreational advantages which provides its greatest asset. Unless we keep up with the trend and changing times, it would be only too easy to be left behind. This virtually happened when we failed to keep up and develop our winter sports facilities and permitted other areas to take over that which Truckee had started. Every thriving community should have a golf course, a baseball diamond and other recreational facilities if they want to keep pace with desires of people. It cannot be denied that if we want to attract people to our community we must provide the things they want, and whether we play golf or baseball or not, we must admit that thousands do and they will go where facilities are available. Let's boost our recreational advantages.

Langguth Returns, Taylor To Capital

Assignment of ministers to start seven new churches, for a total of 371, featured the closing days of the Northern California-Nevada Methodists annual conference at Stockton.

Bishop Donald H. Tippett reappointed Earl L. Langguth as pastor of the Kings Beach church, but Truckee is to be supplied. Rev. Jack Taylor, who has been the local pastor, has been assigned to Pacific-Sacramento.

Six ministers with pastorial service totaling 254 years were retired and 29 new ministers were ordained.

The conference refused to request a change in the church's rule against ministers' smoking. It did request its world-wide general conference to ease another rule and allow ministers to perform marriages of divorced persons, after counseling aimed at "achieving a lasting Christian union." Performing marriages of divorced persons is not allowed except for "innocent parties." Six laymen and six ministers were elected to represent this region at the general conference, next April in Denver.

Rev. Wesley O. Osman, former Truckee pastor was appointed to the Methodist Church at Fresno.

ICELAND DETOUR ON U.S. 40 IS OPENED

The division of highways said that traffic on Highway U. S. 40 began using the Iceland detour, between east of Hirshdale and west of Floriston, Monday morning, June 22. The detour will be utilized for approximately one month.

The detour will route traffic on this major transcontinental route around the freeway construction now underway between Boca and Floriston, thus facilitating construction on the freeway. The freeway. The freeway project is presently 76 percent complete and is to be in full use by fall.

Mountaineers Win, Will Play Babbit Here Next Sunday

Truckee Beats Yerington 14 to 5 To Maintain Tie For Lead

BY JOHN FIRPO

The Truckee Mountaineers exploded for 7 runs in a wild first inning and then coasted to a 14-5 victory over the celler-dwelling Yerington Eagles in an Sierra-Nevada league clash last Sunday at Yerington. The win kept the Mountaineers in first place with Verdi with a 4-1 record, Yerington is still winless in five starts.

The Mountain Men attack included 13 hits; five for extra bases. Craig Robinson had two doubles and Stewart and L. J. Robinson each one. Ernie Pello smashed the biggest hit of the afternoon, a triple in the top of the ninth when he pinched-hit for Louie Goicoa.

Stewart started the ball rolling in the first inning when he led off with a double, L. J. Robinson immediately followed suit with another to score Stewart. Bob Oates then singled the second Moutaineer run across. Cooper struck out and Craig Robinson bounced the third two-base blow of the frame to place the men on second and third. Niel Love was safe on a throwing error and the visitors added another run. Bill Campbell was safe on another "miscue" and the bases were jammed. Louie Goicoa put more wood on the fire by singling to score two more and make it 6-0, Truckee. After pitcher Bill Brodie was a victim of strikes, Stewart singled to add the last tally of the inning. The visiting Californians added two more in their part of the second to lead 9-0.

Yerington managed to get one run in the third and then followed with four the next inning to trail 9-5. At this point, Truckee field captain Goicoa replaced Brodie with Craig Robinson. Robinson came in and shut-out the Eagles for the remaining five innings and allowed only one hit while fanning 9 thus raising his league leading total to 52.

Truckee continued to pound Yerington Reliever, Eric Sueling in the latter innings.

Next Sunday Truckee hosts Babbitt Bandits on the local diamond. Game time is 2:00 p.m.

GEORGE GANGLER IS NEW ROTARY HEAD

George Gangler will be installed as president of the Truckee Rotary Club at a ladies night dinner meeting to be held Monday, June 29 in Donner Lake Lodge.

William Randall will serve as secretary for the coming year.

WATER EXCHANGE IN DISTRICT APPROVED

Representative Harold T. (Bizz) Johnson wired the Sierra Sun from Washington to announce that a water exchange agreement involving released from Lake Tahoe in exchange for water to be stored in the projected Prosser Creek reser voir, has been approved in form by department of interior.

Parties to the agreement are water users organizations, including the Sierra Pacific Power Company and Truckee Carson Irrigation District.

The water exchange was designed to improve sports fisheries values of the Truckee river for about 13 miles below Lake Tahoe, Johnson said.

LEGISLATURE GIVES NOD TO SNOW BILL

The legislature has given final approval to a bill to authorize the state division of highways to clear away the snow along the present Highway 40 in the Donner Summit area after the new freeway is completed.

Assemblyman Paul J. Lunardi of Placer County, who presented the senate bill, SB1286, Cameron, said snow would clog the old road at the Sierra ski resorts unless the legislature gives authority to operate snow plows on the abandoned state highway.

WYETHIA TO MEET

A luncheon meeting will convene at 1 o'clock to-morrow at Smart's for the last session of the Wyethia Club until fall. Officers for the coming year will be installed by Mrs. Fred Pedley, president of the Sutter district, California Federation of Women's Clubs.

Haug Leaving To Operate Resort On Coast Near Castle

After seven years as managers of the Sugar Bowl on Donner Summit, Mr. and Mrs. Walter Haug and daughter, Ann, this week revealed they have leased the San Simeon Lodge and plan to open the new establishment on July 5.

No successor to the popular manager at the Sugar Bowl has been announced, but Haug said he plans to return this fall to assist the new people in lining up the program for the 1959-60 season.

During the time Haug has managed the Sugar Bowl, the patronage has increased 400 per cent, indicating the excellent services which have been provided. This same policy is to be continued by the owners.

Prior to going to Sugar Bowl, Haug was for two years at Squaw Valley and before that managed resorts in Colorado.

Their new resort on the Pacific Coast, is located at the foot of the Hearst Castle, two miles from San Simeon and three miles from Cambria on Highway One. The new lodge has accommodations for 125 and a dining room which seats 200. It has a large lobby and cocktail lounge and throughout is modern in every detail.

The ocean is only a stone's throw from the lodge and the establishment promises to be one of the most popular along the coast.

The Haug family has made scores of friends throughout this area who will sincerely regret their leaving, but all will join in wishing them the best of fortune in their new undertaking.

WORK CONTINUES ON RECREATION AREA; MORE HELP NEEDED

Work continued at full tilt on the proposed Truckee recreation center last weekend as the Clements Construction Company again made available two big cats and drivers Gene Stone and Bert Hutchins.

Jack and Ruth Goss and Jack deRyk spent the day felling and cutting trees and many local men and women who have worked on previous weekends were again present. Eva Besio and Georgiana King furnished the lunches.

Two and a half days were spent last week on the baseball park, clearing and grading the field.

Next Sunday, workers are asked to be on hand to cut trees from the golf course and to remove rocks from the ball park in preparation for the hauling in of top soil. Approximately one third of the golf course is roughed in, Mrs. Betty Kielhofer, secretary of the committee reported.

One of two dump trucks can be used to haul small rocks and everyone is invited to go up and give a hand. Lunch will be served as usual.

WSCS OFFICERS WILL JOIN FOR TRAINING

On June 30, from 12:30 to 3 o'clock, Kings Beach W.S.C.S. officers will join local officers for a training session.

Mrs. Clyde Lefler of Sparks, treasurer of the California Nevada District will be in charge of the meeting. She will be assisted by Mrs. William Broadhead of Reno, Sacramento-Nevada district treasurer, and Mrs. Jack King of Sparks, secretary of Christian Social Relations of the Sacramento Nevada District.

Participants will bring sack lunches. Coffee will be served by the local committee. At 1:15, Mrs. Lefler will address the group; from 1:30 to 2:30, the meeting will break up into small groups for briefing and questioning; and from 2:30 to 3 o'clock, all will again meet in general session. Anyone interested is invited to attend all or any portion of the meeting.

SANITARY TAX DUE

Four Boys Nabbed For Damage Done At Local School

Wanton Vandalism Causes $10,000 Damage At High School

Officers yesterday were questioning three 11 and 12 year old boys and a 17 year old youth held in connection with the wanton vandalism at the Tahoe Truckee High-School during the weekend which shocked school officials and residents.

The three younger boys are reported by officers to have admitted being involved in the vandalism, but said the older boy did the damage.

Deputy Sheriff Roy Waters said the school was entered during the weekend and shambles were left as the culprits went from room to room, destroying and damaging everything that caught their eye. Adding machines, typewriters, and other valuable equipment was thrown to the floors, files and desks were ransacked and the contents strewn about the office and classrooms.

In the gymnasium archery equipment was destroyed after arrows had been shot into the walls and ceiling and the expensive score board. Windows were shattered by arrows.

The extent of the mischief was exemplified by the breaking of a pair of eye glasses which had been left on a shelf, likely by a student. Fire extinguishers were emptied.

Particular damage was caused in the business offices and the office of Principal C. W. Sciutto. It was from a desk in the latter's office that a bunch of keys to all the rooms was taken to permit entrance into nearly every room in the building. The cafeteria did not suffer material damage although handsfull of lard were thrown about and mixed with films taken from the audio-visual department in the library.

Monetary value was placed high, some officials estimated it at $10,000, although sheriff's deputies were inclined to believe this was a too high estimate.

Sorting and refiling reports and school documents may take days, school officials said.

Officers said that the parents of the children will be held responsible for the loss.

Youth Held After Theft Arraignment

Carl Levy, Jr., 18 of Soda Springs was certified to the juvenile court on several counts of burglary Monday when he appeared before Judge F. W. Wilson in the Truckee Judical District Court.

Levy was first held as an adult but it was revealed at the hearing that he was not 18 until May 28 and that at least some of the crimes of which he was accused were committed prior to that date.

The boy was located in Vallejo and arrested by the police there after he was suspected of entering a number of homes in the Donner Lake area where vandalism as well as thefts were reported.

Deputy Sheriff Frank Gallino who was here Monday with young Levy, said he had been informed the Vallejo police have placed a hold on the suspect who is wanted for questioning in connection with the burglary of a store in the bay city.

Levy was traced through tracks left near the scene of the burglaries at Donner by a jeep he allegedly drove. When sought for questioning, officers learned he had disappeared but was found later in Vallejo and returned to Nevada City for trial.

STATE CALLS BIDS ON WEST RIVER STREET

The division of highways has called for bids on a project to widen and surface a 1.4-mile sec tion of roadway in Placer and Nevada Counties, on West River Street between Route 38 south of Donner Creek Underpass and Route 38 in Truckee. The bids will be open in Sacramento on July 22.

The project will consist of providing a new surface course over existing county roads and replacing the existing Donner Creek Bridge with a new structure.

A total of $50,000 is available in the state highway budget to accomplish the work.

FIRE-ETTES MEET HAS EMERGENCY SQUAD

The Truckee Fire-ettes will hold their next regular meeting July 2 in the Alpine Riverside Hotel. Rose Sardi was unanimously elected as committee chairman and members of the executive committee include Lucille Stout, Eva Aweeka, Katy Fowler, Ola Tonini, Rose Waters.

Composing the special fire committee which will function in case of fire, kindred disaster to provide food or any other required assistance in emergency are Ethel Osburn, Nadine Neugebauer, Dorothy Fordham, Callie Kydd, Mary Moore, Eve Popovich.

It shall be a misdemeanor for any person or persons intentionally to give or cause to be given or turn in or cause to be turned in any false alarm of fire, in any city, town or community in this state.

Act Construed—Penalty

The last preceding section shall not be construed to apply to alarms given for practice by any chief of a fire department or by any other person properly authorized to give such alarm, nor to alarms given by any person to attract attention of police, firemen, or people to acts of violence, disorder or menace. For each and every offense committed under the provisions of the preceding section, the person or persons so offending shall be punished by a fine of not to exceed one hundred dollars, or imprisonment in the county jail for a period not to exceed fifty days.

Starting and Neglecting Fires—Penalty

Every person who, upon departing from camp, or from any fire started by him in the open, willfully and negligently leaves the fire or fires burning or unexhausted, or fails to thoroughly extinguish the same, is guilty of a misdemeanor.

Damage by Fire, Penalty and Liability for

Every person who lights a fire for any purpose along the road through any woodland, or upon the same, or at any other place in the open, and thereby, or by any other means, sets fire to any growing timber, forest, shrubbery, crops, grass or vegetation and thereby causes the destruction of any timber, forest, crops, grass, vegatation or property not his own, of the value of fifty dollars or more, shall be guilty of a felony and imprisoned in the state prison for not less than one year nor more than five years, and in addition thereto may be fined in a sum not exceeding ten thousand dollars and not exceeding twice the value of the property destroyed, in addition to being liable to the owner of such property for the full value thereof in a civil action.

The Board of Commissioners of the North Tahoe Fire Protection District Do Enact as Follows:

Section 1. Any person who shall willfully or negligently commit any of the acts hereinafter enumerated in this section shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not less than fifteen ($15) dollars, nor more than five hundred ($500) dollars, or by imprisonment in the county pail not more than six (6) months, or by both such fine and imprisonment.

a. Throwing or placing any lighted cigarette, cigar, ashes, matches, or other material which may cause a fire in any place where such lighted cigarette, cigar, match, ashes ,or other material may start a fire.

b. Throwing or placing from a moving vehicle any lighted cigarette, cigar, or ashes which may cause a fire.

c. The maximum amount of storage of gasoline above ground shall not exceed five (5) gallons liquid unless in underground storage.

Section 2. This act shall become effective from and after its passage and approval.

A public hearing on these ordinances will be held July 2, 1959, at the regular meeting of the Board of Directors.

TRIO AT TAHOE HELD ON CHARGE OF THEFT

TAHOE CITY — Stewart E. Young, Mary Ida Young and Floyd W. Deckands were arrested at Lake Tahoe on burglary charges.

Sheriff William Scott said the trio were suspected of burglarizing a summer home in the Homewood area. Household goods were taken.

The arrest was made by Howard Carnell and Bob Moustris of the sheriff's department.

NEW RESPONSIBILITY LAW SOON EFFECTIVE

California's new financial responsibility law goes into effect July 1 so the motoring public should be prepared for it was the warning issued today by James M. Smith, president of Farmers Insurance Group.

Smith said the new law raises the minimum requirement from $5,000 for injury to or death of any person as a result of one accident, $10,000 for injury to or death of two or more persons as a result of any one accident, and $1,000 for damage to property of others as a result of any one accident ,to $10,000, $20,000 and $5,000 respectively.

On June 4, 1944, the destroyer escorts Jenks, Chattelain and Pillsbury, with the escort carrier Guadacanal, captured the German submarine U-505 in the Atlantic. This was the first time in 130 years that the U. S. Navy boarded and declared as a prize of was, an enemy vessel on the high seas. The U-505 is presently on display at the Museum of Science and Industry in Chicago, Ill.

FLYCASTERS NOTIFY PLACER BOARD TO AVOID RIVER HARM

The San Francisco Flycasting Club has served notice on the Placer County Board of Supervisors that the latter will be held responsible for any damage to the fish life in the stream running through lands owned by the club four miles east of Truckee, if the supervisors indemnify the army engineers for any damage resulting from dredging the river near Lake Tahoe.

L. B. Young, the club president, has written the Placer supervisors advising them of the proposed action in event the three miles of river running through the club's property is damaged for fish propogation or made unfishable by the dredging process.

The Truckee Outdoor Sportsmen and the Truckee Donner Chamber of Commerce are also expected to ask the supervisors to demand care in dredging so that no damage will result to the river and fish life therein.

A portion of Young's letter to the Placer board follows:

"This letter is to serve as notice to you that if this work causes damage to the portion of stream owned by the San Francisco Fly Casting Club that that organization will look to you for damages.

"For your information, the contemplated dredging must, of necessity, loose large quantities of mud into the waters of the Truckee River. This mud will have to settle somewhere and wherever it does settle it will be detrimental to the fish life in that area. We are having careful surveys made of the approximately three miles of stream which we now own to determine the exact condition of the bottom at various places at the present time.

Since th club, at its own expense stocks these waters heavily, and since the survival rate of the fish it pays to put in its own waters is determined by the character of the bottom in that this, in turn, determines the amount of food available, the matter is of considerable economic importance to the club members.

"Furthermore, we also wish to serve notice that if dredging should be done during the summer months, thereby rendering the stretch of river owned by the San Francisco Fly Casting Club unfishable, that we shall also expect damages for the interference of our riparian rights to take fish from our own waters.

NEVADA HANGING ON TO OLYMPIC MONEY

RENO—Nevada's latest $200,000 contribute to the Winter Olympic Games at Squaw Valley is going to stay in the state treasury until it is known for sure whether Slide Mountain's designation as the alternate site for the downhill races is official.

The Nevada Olympic commission meeting with Gov. Grant Sawyer and his special Olympics advisory committee Monday, decided to take no action in budgeting the money until it learns whether the ISF (International Ski Federation) accepted the Slide Mountain alternate site at a meeting held last week in Stockholm. It also wants the recommendations of the California Olympic Commission and the Eighth Winter Olympic Games organizing committee.

The information should be available within two weeks, according to Commission Chairman E. J. Questa of Reno.

It was evident that if the ISF approves the site, as is expected, there will be a lively fight over whether the $200,000 should be kept in Nevada for improvements or handed over to California as a goodwill gesture.

Commissioner William Cashill suggested the money be spent in whatever way is recommended by the California Olympics commission and the eighth winter Olympics organization committee "as a good will gesture to California."

Cashill was frequently at odds with Bill Berry, veteran ski writer and member of the governor's advisory committee, who maintained the money should be used at the Reno Ski Bowl on Slide Mountain.

Berry pointed out the land is publicly-owned, and that Nevadans should get the same benefits from its Olympics money as Californians are getting from their in Squaw Valley, which will become a state park when the games are finished.

Outdoor barbecue—California

a glass of beer is many things

Californians may not have invented the outdoor barbecue, but they'll tell you it's a trademark for their wonderful way of life. And so is a glass of cool, light beer. It's the perfect refreshment for every taste, every occasion.

And beer has another meaning in this state. It stands for a growing economy. Last year, for example, the Brewing Industry paid more than $27 million in California state taxes. This money helps to build new schools, parks and highways—*just one more reason why beer means better living for Californians.*

DONNER DOINGS

BY VIRGINIA O' BEAR

William Reboin of Sacramento was at Donner Lake over the week end visiting the George Hansen home. Bill has been a friend of the family for years and came up to ski several times last winter. Shirnell and Bill had a lot of fun driving around Lake Tahoe and Donner Lake, in a convertible, which resulted in a good suntan for the fair Shirnell.

Mr. and Mrs. John Richards of Los Angeles were visiting their son, Spencer Richards over the weekend. Spence has his runabout boat in the water now and every weekend after work, you can see Spence, Jo, and their three daughters out having fun skiing and riding the surf board.

* * *

Mr. and Mrs. Milan Wight of Concord were up Saturday and Sunday to put the finishing touches on their summer home. They got it finished and even started their new sun-deck. John and Christine came up with them but their oldest child, Norman, is spending a week with his grandmother in Chico.

* * *

Mary and Debbie, daughters of Mr. and Mrs. R. L. Harris of Donner are spending this week with Carmichael with their grandmother, Mrs. Florence Williams. Charlotte will drive down after the girls this coming Sunday. Mary has to get back in time to get prepared for activities that are scheduled for the Donner Lake Regatta, since she is replacing Anita Diaz of the Royal Court. Miss Donner Lake, Shirley Smith, along with her two princesses, Nancy Williamson and Terry Ellis, also the court consisting of Mary, Nancy Watts, Terry Beck and Sharon Tremayne, will be on the Carol Guild Show at approximately 4:30 on July 8, in Reno, KOLO Channel 8. On July 10, appearances are scheduled for Shirley Smith, Nancy Williamson and Terry Ellis in Sacramento on the Millie Sullivan Show around 4:30 on Channel 3, KCRA. Previous to these occasions, the girls will be in the big 4th of July Parade in Reno. Robert Jamieson of the Diamond Boat Co., of Reno, now operating Donner Lake Beach has donated the use of a beautiful new boat and pickup to be used in the parade. It will be a beautiful sight to see our seven lovely girls in the colorful decorated float, and even if our entry does not win a prize it will be quite an experience for the girls as well as our Regatta being publicized.

Miss Darlene Doolittle, daughter of Mr. and Mrs. Ed Doolittle, is back from Tahoe Forest hospital after having her tonsils removed. She is recuperating at home and is anxious to get well so she can enjoy summer vacation.

Mrs. Hank Slack left Monday to meet her daughter-in-law and children at the San Francisco airport. Ruby, flew in from Sarasota, Florida, ariving at the airport at 7 a.m. Tuesday morning. Dorothy brought them home to Donner and they will be here a few months before they join David in Guam. David Slack has been stationed in Guam for a year and a half and will be there one more year, so as soon as the necessary papers are in order, Ruby and the children will join him there. David was stationed in England for several years and there claimed his lovely English bride, Ruby.

Byron Hindman, publicity reporter for the National California Outboard Association was up Sunday and brought some action shots of the Runabouts and Hydros that were taken at the Regatta last summer. These photographs will be used to help advertise our Regatta so look for them in your newspapers. M. Hindman is arranging for film clips to be shown on Saturday, July 11 on the Stu Nahan Sport Show on Channel 3.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department had their dinner and business meeting at Donner Lake Lodge last Thursday night with president, Mrs. Rex Reid pesiding. Guests of the evening were Mrs. Tony Polyanich, Mrs. Harry Ambler, Mrs. I. O. Gifford, Patti Tromer, Eve Hallett and Mrs. James Holmes from San Jose. The tables were beautifully decorated and the center pieces were cleverly made by Mrs. A. St Claire. Little monkeys were climbing palm trees and lovely hula dolls were here and there among the beach scenes which depicted the Hawaiian Islands. Eve Hallett asked to borrow them for the next Firette meeting which is scheduled soon. Eve also stated that the Truckee Firettes would like to have a joint meeting with us in August and a pot luck will probably be planned to be held at Donner Lake Beach. Further information will be furnished later.

I guess there won't be a fish fry after all. I won't have to send out an SOS as I was able to send fish home with our daughter Andrea and her husband Jim. They were up for a week and said it was the best vacation they had ever had. They went looking at property and will be back soon to buy a lot. Jim is going to law school through, so chances of them living here permanently will be in the distant future.

* * *

Our daughter Jennifer spent a few days in Nevada City last week with Mrs. Frank Stewart and her daughter Garee Lynn. Olga went down to work in their yard down there so her flowers and lawn would be in ship shape. Our son Mike had a birthday Saturday and is now five years old. It was a family celebration and Mike had a cake with ice cream and is happy that he is old enough to go to kindergarten in August.

There are a lot of summer residents at Donner now. Since my company left, I'll have some spare time to get around and meet some of these people and give you more information next week. Did run into Carson White and he said that he and his family are up for the summer instead of just coming up weekends as he has been doing the past month.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

Mr. and Mrs. Phil Geier have spent the last two weeks in varied activity. They left their Tahoe Park home in time to attend the wedding of the daughter of their long-time summer neighbor, Carl Hempler, in Napa on June 13. Many Tahoe friends will be wishing Carol well in her new life. Geiers then went on to Arcadia in Southern California to attend the eigth grade graduation of their granddaughter, Susan Bailey. On their return they spent a day and a night at Yosemite and are again reassured that there is no place like Tahoe. Mrs. Geier says it was so hot every place else . . . 108° in Fresno, for example.

Two new buildings down Homewood way are in use now and add much to the attractiveness of the highway strip there. One is Max Hoff's new realty office and the other is the new Homewood Postoffice just north of Hoff's. Postmaster Edna Obexer has been at work in this large airy office for two weeks now.

* * *

Stephen Marvin spent the last week at his Pineland home getting it in shape for the season. His wife, Mariah, joined him over the weekend. Mariah is working for a press clipping service in San Francisco where she has several accounts. It sounds like very interesting work. Stephen will again be teaching in San Francisco.

* * *

Jim and Fearn Orr were visited last week by Jim's mother, Mrs. Frances Eckles and by an uncle and aunt, Mr. and Mrs. Theron Miller, whom Jim had never met. The family get-together was highlighted, not marred, by the splendid electrical storm of last Thursday. The Millers had never visited in California before.

* * *

Bill Keehn and his son, Michael, left Sunday for a three day pack trip up in the mountains behind Meeks Bay. Their friend and dog, Rusty, accompanied them. Pauline and the girls picked up the three Wednesday at Emerald Bay.

Mrs. Enrico Giannini and Mrs. Hal Farr drove down to Lafayette Tuesday for a combination business trip. Janice Giannini and Danelle Pomin accompanied the two women.

* * *

Mr. and Mrs. Charles Neilsen and their children celebrated Father's Day at the Tahoe Inn Sunday evening.

* * *

Lillian Farr held a belated Father's Day dinner and an early birthday dinner for her parents, Mr. and Mrs. C. W. Vernon, at her home Monday evening. The birthday celebration was for Mrs. Vernon.

DONNER SUMMIT NEWS

BY DONNA POWERS

UTILITY DISTRICT MEETS

Guest speaker at the recent meeting of the Donner Summit Utility District was Fred Dennis who discussed the possible installation of a much needed filteration system. Even though present funds will not permit the immediate purchase of such a system, plans are being made now in hopes that future funds will permit its purchase. Board members Bill Cannon and Max Williamson were present in the absence of Harry Pratt. District Accountant Ray Carlyle and attorney Paul Chamberlain were in attendance as were interested residents Mr. and Mrs. McCarty, Elmo Moriano, Bill Young, and Mr. and Mrs. R. Bisson.

NEW RESIDENT

Mr. and Mrs. Frank Zoll of Kingvale were very happy to welcome their new daughter Dona Jean who was born at 3 p.m. Saturday June 20th in the Tahoe Forest Hospital in Truckee. Weighing 6 pounds and 6 ounces at birth, Donna is a very healthy and active baby. Also very happy to see her are her brother Gary and great-grandmother Mrs. Wiss who lives at the Zoll home.

VACATIONER

Barbara Lyddane daughter of Mr. and Mrs. Vince Lyddane of Soda Springs is visiting her aunt and uncle who live in Redwood City. Barbara is expected to return home the weekend of July fourth.

ARIZONA FIRE

Head Ranger Paul Madden at the Big Bend Ranger Station was called June 18th to the Tonto National Forest in Arizona where he is directing firefighting crews. Madden and twenty-five other men from the seventeenth district are working to control the Boulder 29,000 acre fire which was caused by lightning. The Big Bend ranger station reports no fires in their region thus far in the season even though this is considered a dry year because of the mild snow fall last winter.

SKI CHAIR

The Donner Ski Ranch reports that this weekend will be the opening of the chairlift for the summer months. The lift will operate on weekends only until the first of September for sight seeing vacationers.

MOTOR TRIP

Planning a motor trip to visit her parents, Mr. and Mrs. F. E. Joiner in Kansas, is Mrs. Voleta Mason, Mrs. Mason will take her three children Laurel, Bill and Dianne and expects to leave this weekend and be gone a month.

SWIM PARTY

Gracious hostess Laurel Mason enjoyed the company of her friends Sherman Williamson, Brad Heckle, Richard Bartucco, Tommy Terkoldsen, Pat Kelly, Carol Kunkler Pauline Warden, Bunny Board and Cecil Weatherfield at her Big Bend home June 22 for a swimming party. Nancy Williamson and Mitchell Terkoldson attended as life guards following the swimming, the group enjoyed roasting hot dogs on an open fire.

WORK PROGRESSES AT LOCAL LIBRARY

Recent visitors to the Tahoe-Truckee Community Center Library have found the place piled high with hundreds of books being returned and processed from the five schools of the district. The staff is working full force in an effort to clear all student charges and organize the schedule of activities for the summer.

Roy Baker, the librarian, reports that text book losses among the high school students are heavier than in previous years. Much time is devoted to the determination of charges and the preparation of statements to be mailed to the individual students. The administration is again cooperating with this project and are withholding grades and report cards until these commitments are cleared. The forwarding of transcripts and records of seniors may be delayed for those planning to go to college or to take job requiring records of recommendations.

It is believed that few of these books are "lost" beyond recovery and many may be found in the homes, automobiles, and haunts of the communities. Parents are urged to examine carefully any books they find and return all those belonging to the library. In doing so many students will be spared from paying full replacement price and the savings to the taxpaying citizens will be considerable.

In addition to the individual charges, it is known that many books have been taken without permission from the library shelves in recent years. People frequently move into houses and find books belonging to the school and library. One man returned 22 volumes that he found neatly packed and left in a garage. The house had been occupied by a family of three children—all of whom had attended the local high school.

This man's only reward was a grateful "thank you" and the satisfaction he received from performing a task that saved the district sixty dollars or more in the cost of boks alone. When one considers the cost in man-hours required of the staff to order and process 22 books the savings was considerably more.

INDIAN AFFAIRS IS TOPIC AT ROTARY

TAHOE CITY — Noble T. Murray, land appraiser on Indian affairs for the U. S. government, was the guest speaker at the Tahoe City Rotary Club luncheon at Tahoe Inn on June 16.

Murray, whose home is at North Tahoe, told of the difficulties in establishing values of land at the time the white man had taken possession which in many instances dated back to 1865 and he cited overlapping claims by various tribes of Indians. Of the one billion, nine hundred thousand acres claimed by the Indians, Murray said, some tribes in the mid-west want pay for the buffalo and big game killed off by the white man, in the far north one Indian chief held his arms out and slightly forward saying, "I want all that land." In California the Piutes claim the land from Oregon back and along the crest of the Sierra Nevada range and including north east of Virginia City in Nevada. The Washoes claim the Carson Valley with their northeast boundry also taking in Virginia City.

Gordon Moyer, program chairman, introduced the speaker.

Only 26 of the 42 club members attended the meeting due to the change from night to noon meetings. Several members are out of town during the day but make up on Monday night at the Brockway club. However, visiting Rotarions and guests fill the vacant chairs during the summer months. There were 10 visitors and two guests at the meeting. Dennis Sach, past president of the local club was the guest of Mike Korich. Sach is now a resident of Borrego Springs. Dr. Stuart Dingwall, summer time veterinarian here, and former member, was the guest of Harrold Farr. The doctor winters at El Cajon, near San Diego. Martin Spitsen presided.

On June 15, 1775, the Rhode Island State Assembly passed a law authorizing the fitting out of two sloops. This was the first time armed vessels were ever commissioned in America and was the start of the U. S. Navy.

TURN SIGNALS FOR BOATS ARE NEEDED

Do you own a boat? And during the summer months do you tow it behind your car from home to lake and back again?

Then you may have a turn signal problem on your hands, says Sergeant F. H. Snyder commander of the Truckee CHP Area.

"California law requires trailers carrying loads that extend 24 inches or more to the left of the center of the steering wheel of the towing vehicle to be equipped with either signal lights or an approved mechanical signal device," Snyder said.

"Other equipment required on trailers includes one red tail lamp, a license plate lamp, one red reflector, and a stop lamp. In addition, the towing vehicle must be equipped with a mirror reflecting a view of the highway 200 feet to the rear."

Sergeant Snyder emphasized that trailer hitches must be properly and securely mounted, with a legal safety chain to control the trailer if the hitch should fail.

"Finally, I want to remind every trailer owner that the maximum legal speed while towing a trailer of any kind is 45 miles an hour," Snyder declared.

STUDY OF LOW LEVEL SPAN AT EMERALD BAY IS AUTHORIZED

An assembly resolution calling for a study of all possible routes for an year highway along the west side of Lake Tahoe was sent to interim committee by the state after it was amended to specify that it be a low level road.

The measure, ACR 130, as adopted by the assembly called for a joint study by the departments of public works and natural resources of possible routes to eliminate the road around Emerald Bay.

It was proposed by Assemblyman Paul J. Lunardi (D) of Placer County after he failed to gain assembly support for a resolution by State Senator Swift Berry (R) of El Dorado County calling for a road through D. L. Bliss and Emerald Bay State Parks with a bridge across the mouth of Emerald Bay.

Lunardi was joined as a coauthor by Assemblyman Thomas J. MacBride (D) of Sacramento County, who had led the successful fight against the Berry resolution.

When the noncontroversial Lunardi resolution reached the senate it was amended in committee on the motion of Berry to direct reports be made until a "low level all year route" is constructed.

Senator Albert S. Rodda (D) of Sacramento County yesterday requested the now controversial item be taken off the consent calendar. After this Berry did not seek senate approval, but did succeed in having it sent to an interim committee for study.

MEDICAL GROUP TO HOLD TAVERN MEET

Officials of the medical societies of the Sacramento Valley today announced the ninth annual regional postgraduate institute to be held at Tahoe Tavern, Lake Tahoe, on June 25 and 26. The program, to which all medical doctors of the area are invited, is being sponsored by the California Medical Association. The medical lectures and panel discussions will be given by members of the faculty of the University of Southern California School of Medicine.

The Sacramento Society for Medical Improvement, under the leadership of Dr. William F. B. Harding, president, will host the meeting with Dr. Robert H. Quillinan acting as general chairman. Dr. Geoffrey A. Fricker is program chairman.

The associate committee is composed of Drs. K. M. Joye, Auburn Fred L. Evans, Chico; J. W. Reynolds, Dunsmuir; Warren J. Boyer, Marysville; Willard S. Bross, Jr. Portola; James D. Baker, Stockton and J. A. Mathewson, Weimar.

Subjects to be discussed range from medicine, surgical psychology, radiology and orthopedics to pathology.

Dr. Phil R. Manning, heads the list of twelve USC physician-lecturers.

Because of the proximity, nearby Nevada medical doctors have been invited by the Californians to attend.

GIVEN AWARD

Captain Kenneth Hooker of the fish and game department was honored recently at a meeting of the commission in Sacramento when he was presented his 25-year service lapel button. Hooker is in charge of the patrol in this district.

Radio stations give full time employment to almost 50,000 persons.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

You all know that we have been having quite hot weather but wonderful cool evenings staying light until about 9:30. While I was lying in the hospital at Reno where the temperature has been around 100 degrees—I was ready for winter. Had a nice bumpy trip home from Reno yesterday (Monday) via Mount Rose but even that was enjoyable knowing I was returning to this beautiful lake. Old timers say they have never seen so many people up as there were last week end. The surrounding beaches were jammed, hundreds of boats and waterskiers on the Lake. This is the place where life can really be beautiful.

GOLF

The Brockway golf course has really been taken care of this year. Hundreds played during the invitational tournament last week. It is quite a colorful sight these days, the men wearing bright colors. Red slacks seem to be the most predominant. How things have changed from the drab old days.

HOME AGAIN

We are glad to have Harry Johanson, constable of Tahoe City, back home after his five week visit to Sweden. Harry flew there and back on one of the largest DC planes, with 110 passengers going over and about 50 coming back. The plane stopped at Winnipeg for 45 minutes each trip. The flight over Greenland was quite a thrill, it took 19 hours. Harry had quite a wonderful time with his relations, most of them he hadn't seen for thirty two years. Said the food was wonderful, smorgasbords every day and everything was modern with the times. One of his nieces flew over to visit him and will return shortly by ship. Harry dressed in western clothes, ten gallon hat and all. Said he only had one shirt when he came back. His friends and relatives were so facinated by them, now there are a few cowboys in Sweden.

RECOVERING

Bud Jones of Carnelian Bay underwent surgery at the Washoe Hospital in Reno last week and is recovering very nicely, we are happy to report.

MANY GUESTS

The Sam Harrisons' have been doing a lot of entertaining lately at their pretty home on Brassee Avenue. A nephew, Gregory Phillipsosian has been staying with them for two weeks. Visiting were Mrs. Frances Williamson and Mrs. Anna Hospardarsky of San Francisco. Kenneth Addleman and his four sons dropped in for a swim on their way back from a fishing trip up North. Miss Margie Rosenbaum and her friend Miss Anne Zimmer of San Francisco stayed during the golf tournament while her father Art Rosenbaum, sports editor for the San Francisco Chronicle, and mother ,played in the tournament and covered the event. They stayed at Cal Neva Lodge. Sunday guests were the George Harrison family of Reno, with his son Haig from San Francisco and his father-in-law John Daigan who came up to celebrate Father's Day together. The George Harrisons' also brought Mrs. Schatati and her daughter Lucille from Reno,. Mr. and Mrs. Russ Ellis of San Francisco joined them after completing play in the tournament. A wonderful time was had by all, Sam and Audrey being wonderful hosts.

BUILDING

Mr. and Mrs. Harold Grundeman have purchased a lot on Brassee Avenue and are now busy clearing it to start building a Swiss chalet type house—two story, for their lovely teen-age daughter and themselves.

TO ITALY

Little Gwen Mizner left last week on a three months trip to Italy where she will stay with a family who are complete strangers. Gwen was chosen as an outstanding student by her school and will certainly learn a great deal about that country—such an honor and wonderful experience for her. Timmy, her brother, was up to visit us and says he will probably miss her a lot this summer. He hadn't realized it until she actually would be so many miles away.

SHORT VISIT

Mrs. Barnum who was a resident of Kings Beach for many years and living in the bay area spent a couple of days here along with two nurses from the Shriners Hospital in San Francisco. Mrs. Barnum visited my wife and daughter and they report that she looks and is just wonderful. Bless her heart, so sorry I had to miss seeing her.

CLASSMATE VISITS

Joellyn Ashton entertained a former classmate from Salt Lake City for a couple of days, Miss Arleen Johnson, now nursing in Sacramento. It was Arleen's first visit to Lake Tahoe and they had a wonderful time reminising over their school of nursing days. Joie has been quite busy since she arrived home, arriving just in time to be my special nurse not leaving my side through the operation and hours afterward. How lucky could I be?

NEW OWNERS

Mr. and Mrs. Jack Masters have bought the McPhee Lodge (Pine Ridge motel) and are glad to be one of us. We welcome them and wish them a good summer.

GOOD CREW

Nickie Ann Wing, Loma Moore, Beverly Gunkel and Lynda Loynd are the new crew at Loynd's Drug Store in Kings Beach this summer, we hope they will have a happy and good season. They should, being some of our cutest and finest local girls.

COAST GUARD

Neighbors near Mike Brown's boat harbor are pleased to see sailors in their whites going to and fro at work on the United States Coast Guard unit at Kings Beach. Sure looks great and will be a great help on our beautiful lake.

SADNESS

We are saddened at the sudden passing of Roy McMillan in Pasadena, where he lived. Roy was a frequent visitor at Kings Beach. Has two sons. Roy Jr. will carry on the insurance business where he has been with his father. Roy was the father-in-law of Suzie Sorensen McMillan. He will be greatly missed by his family and many friends.

West Shore Notes

By NINA SLADE

Salvos of thunder against a giant backdrop of flashing lightning led off Thursday night's storm. Nothing can be more magnificent, if fearsome ,than a summer mountain storm. Lights went on and off like gigantic fireflies and our dog cowered under the bed as the heavens threatened annihilation. No serious results—save a tree struck near Frith Turner's at Tahoma and a fire near Homewood had been reported.

* * *

Ed Bullard, nephew of Don Huff of Homewood resort, is busy as assistant manager of Piedmont-Tahoma store this summer and greeting friends from last year.

* * *

Mike Mariani and family are again at Tahoma. Mike is associated with Ed White at Westlake Village subdivision, Tahoma's new next-door neighbor on Highway 89, and just a hop from Olympic cross-country race course.

* * *

The V. J. Littlefields of Sacramento are settled in their lake-front home.

* * *

Mrs. Flora F. Anderson of Oakland has returned to her home on the lake.

* * *

Mrs. Grace Sartor is up from Colton, busy sprucing up Tahoma Resort.

* * *

Mr. and Mrs. John Cook of Palm Springs are summering at Tahoma.

* * *

Mr. and Mrs. Ray Anderson of Oakland are at Jackson's Cottages. Ray is manager of the meat market for the PiedmontTahoma store and young Spike is reveling in the delights of fishing, swimming and hiking.

* * *

Mr. and Mrs. Berger E. Nelson of Los Altos are new homeowners in Tahoe Cedars Tract and have just finished a good-looking addition to their house, at 6th and Spruce. Young Berger and Barbara Ann are job-hunting for the summer.

* * *

Jack Lynch, Tahoma-ite weathered the winter despite poor health and is making his sorties to the store and postoffice as of yore. He's sporting a beaver beard that gives him the look of a Biblical prophet.

* * *

George and Rose Neldam of Orinda have opened their hospitable lake home and are enjoying visits from many friends and the family.

* * *

Mr. and Mrs. Wayne Jackson of Auburn purchased Williamson's Cottages this year. They came up every weekend this winter to furbish up. Mrs. Jackson teaches in Auburn and Wayne is a government agriculture agent. Son Welcom works at the grocery store. Daughter Sue keeps the home fires burning for her father and they commute weekends.

* * *

Mr. and Mrs. Henry Springer of Palo Alto are adding a porch with a lake view to their home Skyland. Mr. Springer Sr. is with them. Sons George and Allan are caddying at Tahoe City golf course.

Louis Celio, president of the Tahoe Cedars Property Owners Association, is back from a week in traction to correct a ruptured disc at the Washoe Medical Center in Reno and walking much better. Well enough, anyway, to preside at a board meeting of the Association this week.

LONG-RANGE PLANS MADE BY COUNCIL

RENO — The newly formed Lake Tahoe Area Council is making plans for its self-perpetuation on a long-range basis.

Harry Marks, Glenbrook homeowner who heads the Council's organization and membership committee, announced appointment of a special sub-comittee to design a financial and operational plan which would guarantee the Council a permanent role in guiding development of the Lake Tahoe area.

"The council is really a 'Voluntary Lake Tahoe Authority', and not, as some think, a master chamber of commerce or another 'super government.'

"It has a far, far broader scope than a chamber of commerce, and is actually designed to prevent the necessity of having all of our affairs controlled by an "authority" type of governmental agency," Marks said.

Marks' proposal to have the council develop and adopt a plan for permanent activity was approved at the May 15 board of directors meeting at Stateline. The committee selected to prepare the plan will meet June 11 at Crystal Bay.

According to Marks, "The council has the serious responsibility—and honor—of planning and guiding the growth of Lake Tahoe to prevent its spoilation.

"The judgment and vision of the concil leaders will determine whether this beautiful area becomes a priceless heritage to those who come after us, or a fearful example of an unplanned sprawl."

While the function of chambers of commerce is to promote business and industry, Marks said, the function of the council is "to see that such business and industry is developed in an orderly, planned manner so that those who visit this area as tourists (our primary industry), and those who live here may live their lives with a reasonable degree of serenity and tranquility."

To carry out these goals and ideals, Marks pointed out that the need for "a sincere elected membership composed of people and organizations who are interested both in their own welfare and the general welfare of the area, (and the two are indivisible), and are therefore eager to participate in a sound and substaining Council program."

Calling for a "valid and vigorous organization," Marks urged recognition by council members and officials of the Council's unique position as an example to the people not only of two states but of the nation.

"This is an opportunity for us to demonstrate that volunteer, private, public spirited citizens and business firms, working together with their government at all levels, do not need—and do not want—another super government to dictate the solution of their problems," Marks concluded.

Scripture Press Sunday School material will be distributed next Sunday for the coming quarter of study. We would like to call attention to the teen age series of Living for Jesus in the Space Age and the topic under consideration, Our Bible and Bible Proofs.

Today as never before people are living in an age of great physical and mental stress; to a point of dangerous distress, debt and discontent. The pastor will discuss this problem of fast living in the sermon entitled: "David and the Cave of Adulam" with the Scripture being taken from I Samuel 22:2.

Mr. and Mrs. Don Del Carlo have come from their Carmel home to open their well known Swedish Farmhouse restaurant at Tahoe City.

GAMES AREA GETS FACE-LIFTING—Truckee, Calif., located 12 miles from Squaw Valley, site of the VIII Olympic Winter Games, is in the midst of a "clean-up-paint-up" campaign. Shown here are some of the school children who offered their services for the project. Citizens of Truckee are determined that the historic old town will be all spruced up for the thousands of visitors anticipated for the 1960 Olympic Winter Games.

Paintup Picture Is Distributed Widely

Editors Note: The following story and picture denotes some of the wide-spread publicity which the cleanup, paintup campaign received. This story was prepared by the public relations department of the VIII Olympic Winter Games Committee and sent to hundreds of newspapers throughout the country an Europe.

SQUAW VALLEY — The Truckee and Donner Lake areas, whose histories go back to the fabled gold rush days of the west, may be old in years, but they're doing their best to look young in heart for the Olympic Winter Games at Squaw Valley, February 18-28, 1960.

Public-spirited citizens, spearheaded by Zeph Rose, committee chairman, and N. F. Dolley, president of the Truckee-Donner Chamber of Commerce, formed a clean-up-paintup committee last month, and already results are apparent.

The clean-up phase of the operation found 161 volunteers working for two days. Among the volunteers were nine prisoners from the county jail. Ten dump trucks unloaded over 300 truck loads of debris from the area's streets, alleys, yards, and vacant lots.

Shortly after the clean-up campaign, the paintup committee swung into action. William Englehart, Jr. headed up the latter group assisted by Pabco Paint officials who approved the color scheme and aided in many other ways.

Over 100 men, women and school children, armed with buckets of paint and brushes, gave Truckee a partial face-lifting by spreading more than 200 gallons of paint on the old town's buildings in a period of two days. The paint was supplied at cost by Truckee retailers.

Assistance came from all quarters. Four Truckee and Tahoe contractors lent equipment and manpower to the project. Women's groups provided the workers with lunches and coffee. A finance subcommittee, headed by Lee Apple, the local banker, collected $750 from service clubs and other civic-minded groups and individuals.

Students from Tahoe Truckee High School even claimed a world record. One hundred of them painted a dwelling in less than five minutes. On the way to their record they received moral support from the school's cadet corps and band, both of whom entertained during the painting.

The committee plans to continue the project throughout the summer. By early fall, Truckee and Donner Summit area certainly should be all spruced up for the thousands of visitors attending the 1960 Winter Games at Squaw Valley.

SIERRA LAKES ASKS COUNTY FOR ROAD

Sierra Lakes Club, Inc., owners of the former Ice Lakes property near Soda Springs have asked Placer County supervisors to build and all-year one and one half mile road to the property. The present road was declared inadequate for the 2000 people who will reside in the area.

The club will stand engineering, designing, expense and will furnish the base material. Garlos McGuire of Grass Valley is the road engineer and estimater. The Placer board agreed to give the project serious consideration.

POULSEN OPPOSING ZONING AT SQUAW

AUBURN — Wayne Poulsen, major figure in the development of Squaw Valley, Tuesday informed Placer County supervisors he is opposed to special zoning of Squaw Valley because the Winter Olympics are imminent.

"To rush into special zoning of Squaw Valley at this time because of the Winter Olympics is unrealistic because of the time element," he informed supervisors.

"By taking more time, and checking out every detail the county would be protected from major legislative errors."

Quotes and excerpts from California Division of Forestry report on Forest Pest Conditions in California

DWARFMISTLETOE

"Several sizable areas are under observation where mature trees are heavily infected. Many trees of all ages have either directly been killed by Dwarfmistletoe or so weakened that they were easy prey to the Mountain Pine Beetle".

Now unfortunately we have here at Lake Tahoe and Truckee more than our share of Dwarfmistletoe and Mountain Pine Beetles. So in order to protect your trees from both, all care should be taken to prune out Mistletoe and other parasites that weaken your trees and leave them vulnerable to the Beetles.

See your nearest U. S. Forest Service Ranger for advice and permits. And please drive carefully in the forests and protect our wildlife. These little creatures do not understand an automobile as the carcasses along our highways attest.

It takes a long time to grow a tree, and only a little time to protect it.

KASPIAN PARK AT TAHOE DEDICATED

Kaspian Park at Tahoe Pines was dedicated at impressive ceremonies June 6, offering the public a splendid recreation center which will be fully developed by the Tahoe National Forest. The forest service exchanged timberland for the park after it had been acquired by George Kaspian through a private sale. The above pictures show the dedication. Left to right Roy Saarni, district forest ranger, Kaspian holding a plaque presented him by the residents of Yettum and Henry Branagh, —Courtsey Sacramento Bee supervisor of the Tahoe National Forest and a principal dedication spokesman. In the insert Father Garabed Kalfayan and Bishop Papken Varjabedian, who conducted the rites of the Armenian Church.

DR. MARVIN I. SCHWARTZ

DR. SCHWARTZ WILL JOIN DeMERS STAFF

Dr. Marvin I Schwartz, optometrist, is now a full-time associate with Dr. Albert DeMers in his Truckee and Kings Beach offices. Dr. Schwartz, formerly from the bay area, has taken up new residence at Kings Beach with his wife, Jean, and six month old son, Ricky.

The newcomer graduated with honors from the School or Optometry at the University of California at Berkeley and received a master of optometry degree. Prior to entering the optometry school, he earned a bachelor of science degree from the University of Michigan at Ann Arbor.

Dr. Schwartz is a veteran of the second world war and served with the occupation trops in Korea. Both he and his wife enjoy skiing, swimming and tennis and are looking forward to taking advantage of the many facilities available in this area. Mrs. Schwartz also is a graduate of the University of California.

TAHOE WOMEN HOST SUMMER CONFERENCE

TAHOE CITY—Federated Women's Club of Tahoe hosted the Sutter District summer conference Wednesday, June 24 at Tahoe City. Coffee hour was held from 9 to 10 a.m. with the meeting following in the Community Hall. Mrs. Fred Pedley, Sutter District President presided, introducing guests and responding to the welcome from Mrs. E. H. LePire, president of the Tahoe City club. The business session with convention reports occupied the morning.

Luncheon was served at the Tahoe Inn followed through the afternoon with work shops conducted by Mrs. Pedley, Mrs. H. C. Johnson, Mrs. P. G. Friday, Mrs. Earl B. Shoesmith, and Mrs. J. H. Brubaker. One hundred and fifty members attended this work shop session to start the year's work. State awards were presented to the clubs by Mrs. Pedley, including two beautiful oil paintings. Mrs. Pedley will also report on the general federation convention which California hosted in Los Angeles.

A large group arrived at Tahoe Inn Tuesday evening when the group honored Mrs. Pedley with a dinner party at North Shore Club and then enjoyed the evening at the lake attending the meeting the next day.

June Dates—

Mrs. James Walker and John Besio were two local people who celebrated their birthdates this month with their respective families.

GINGER REYNOLDS IS WED TO GARY REID AT RENO CEREMONY

Gary Reid and Miss Ginger Reynolds were married Saturday evening, June 13, at the Park Chapel in Reno, at 9 p.m. Both young people are residents of Truckee and plan to make their home here.

Miss Reynolds is the daughter of Mr. and Mrs. B. W. Reynolds, Truckee, and has attended the local schools. Reid is formerly from Auburn and attended school in Auburn. He is presently employed with a construction company.

Miss Reynolds was beautifully attired in a soft yellow and white nylon frock with a small white hat and yellow orchid. Her matron of honor was her sister, Mrs. Vern Briley, of Sacramento, who was dressed in a lovely blue print.

Best man for Reid was Stanley McBride, also of Sacramento. After the lovely candlelight service, a reception was held for the couple at the home of Mr. and Mrs. Harmon Hauan in Reno.

Those attending the wedding and reception included Mrs. Tom Jordon, sister of the bride, from Las Vegas, Nevada; Miss Cynthia Reynolds, another sister of the bride, from Truckee; Mrs. B. W. Reynolds, mother of the bride; Jay Reid, brother of the bridegroom, from Reno; Mr. and Mrs. Vern Briley, Sacramento; Mr. and Mrs. Stanley McBride, Sacramento; Miss Margaret Nunnally, Sparks; Art Benberg, Sparks; Mr. and Mrs. Robert McColgh, Mr. and Mrs. Carmen Silveria, Mr. and Mrs. Richard Higgins, and Mr. and Mrs. Clarence Dayton, all of Truckee.

CLEMENTS GETS ROAD CONTRACT AT TAHOE

The division of highways announced that work was started June 18, by Clements Construction Company of Fremont, on a project to resurface portions of State Sign Route 89 in El Dorado and Placer Counties, between 7.9 miles north of Tahoe Valley and 5.5 miles north of Tahoe City.

The contract calls for the placing of plant-mixed surfacing over the existing surfacing to improve the riding qualities and to increase the structural strength of the roadbed. Shoulder areas will be shaped to conform with the resurfacing.

NORTH, TO THE *BAKU* TRIBE OF PRIMITIVE TRADERS -- SUSPECTED OF GUN-RUNNING -- THE AIR-FORCE FLIES TARZAN ON HIS NEW SECRET MISSION.

COLONEL WORTHY, ACE AIR FORCE INTELLIGENCE OFFICER, FLIES INTO THE AFRICAN INTERIOR WITH TARZAN AND ITO - DISGUISED AS *WOW-WOW*, A SULU WITCH DOCTOR.

GOOD LUCK AND CAREFUL, MEN! THE *BAKUS* ARE STRAIGHT AHEAD, THREE MILES OVER THE VELDT.

THESE *BAKU* TRIBESMEN HAVE BEEN TRADERS, RATHER THAN HUNTERS -- MIDDLEMEN THROUGH WHOM AFRICAN IVORY AND HIDES REACH CIVILIZATION... I KNEW THEIR CHIEF, *RAMU*.

IF OLD CHIEF RAMU IS STILL IN CONTROL, WE HAVE NOTHING TO FEAR. I SAVED HIS SON FROM A LION YEARS AGO. IF NOT, WE MAY HAVE *PROBLEMS!*

HERE WE ARE! THESE PEOPLE ARE MOON-WORSHIPPERS. THEY USED TO DANCE ALL NIGHT WHEN THERE WAS A FULL MOON!

I HEAR DRUMS! I SEE MEN DANCING!

SHHH! THEY'VE GOT A PRISONER! THEY'RE *TORTURING* HIM! OLD CHIEF RAMU A TORTURER? I CAN'T BELIEVE IT!

STOP, OH RAMU, CHIEF OF THE BAKUS! I, TARZAN, HAVE RETURNED! WHO IS THE PRISONER YOU PERMIT TO BE TORTURED -- YOU, WHO SHARED WITH ME OUR LOVE FOR PEACE!!
